

Credit for Graduate Supervision

Graduate faculty shall earn 1.5 ICH/student/semester for supervision of Ph.D. Dissertation and MA/MSc thesis, provided that the total credit for thesis/dissertation supervision does not exceed 6 ICH/semester or 12 CH/year. Accordingly, the number of supervised graduate students shall not exceed 4/faculty/semester. However, the programs are advised to maintain a balanced distribution of graduate student supervision among approved graduate faculty members.

Faculty who serve as co-supervisor of graduate students shall be credited half of 1.5ICH/Student/semester, unless otherwise agreed upon with the main supervisor based the division of supervision responsibilities

This policy will remain effective until the approval of a revised teaching load for graduate faculty. Any variations or amendments of the policy shall be approved by the Dean.
