Dean's Message

I am delighted to welcome you to the College of Business and Economics (CBE), The home for Education with Impact.

At CBE, we are dedicated to pushing boundaries and laying the foundation for a transformative business education. Our ultimate goal is to equip students for success in an ever-competitive and dynamic business landscape.

As part of our ongoing pledge to meet the demands of the job market and address societal challenges, we continually enhance our program portfolio. Through a meticulous review process, we ensure the relevance and responsiveness of all our existing programs to the rapidly evolving business environment. Noteworthy additions to our offerings include groundbreaking programs, such as the Master of Science program in Business Analytics set to commence in fall 2024.

CBE is recognized for its commitment to quality, holding accreditation from the prestigious Association to Advance Collegiate Schools of Business (AACSB). Our Accounting and Finance programs rank among the top 200 globally, according to the QS World University Rankings per subject. Furthermore, our MBA program proudly holds a position in the top 94 worldwide and second in the Middle East and Africa region, as per the QS Global MBA Rankings 2024. These achievements are a testament to the exceptional quality of our programs and the steadfast dedication of our esteemed faculty.

By joining CBE, you not only enroll in a world-class academic institution but also become part of a robust network comprising students, alumni, and partners. Our graduates are known for leaving a lasting impact on the community through their remarkable contributions.

I invite you to explore our programs, and I eagerly anticipate the opportunity to welcome you to CBE.

Prof. Rana Sobh

Dean of College
of Business and
Economics

Ph.D. in Business Administration

The unique AACSB accredited Ph.D. program in Business Administration in Qatar

2 years

English

Qatar University (Doha)

Full-time
(with an adequate schedule for working students)

The Ph.D. in Business Administration is a specialized program that prepares graduate students to become effective university educators and research scholars who significantly make a difference in Qatar and beyond.

The program achieves its objectives through rigorous teaching and research that contribute to the advancement of knowledge and practice. The program is AACSB accredited and serves five disciplines: Accounting, Finance, Information Systems, Management, and Marketing.

Who is it for?

The Ph.D. program is open to any person from inside or outside the State of Qatar who holds a recognized master's degree in business administration or a related discipline and meets the admission criteria. The program is designed for those who strive to deepen their expertise and pursue a career in academia or research.

Program Requirements

1. Completed a Master's degree in Business Administration or in Business related field (*see remark below) from a university accredited by an international accrediting association or by the Ministry of Higher Education or equivalent authority in that country with a minimum Grade Point Average (GPA) of 3 over 4.
2. Graduate Management Admissions Test (GMAT) is required. In some cases, scores from the Graduate Records Examination (GRE) may be substituted. The test has to be taken within 2 years prior to the start of the intended semester of admission.
3. Achieved a minimum score of 80/120 Internet-based TOEFL or a minimum score of 6 in IELTS test taken within 2 years of the start of the intended semester of admission, or earned a previous degree from an accredited institution

of higher education in a program where English was the language of instruction.

4. Applicants are encouraged to submit standardized test scores, where available, in support of their application
5. A satisfactory performance in the personal interview.
6. Submit a statement of purpose a document of 10 to 12 pages describing the research question to be tackled by the candidate. The documents should include an introduction, literature review, research question, research methodology and references. ([Proposal Guidelines](#))
7. Make a presentation of the research question during the personal interview in the front of the selection committee.

These admission criteria are in concordance with Qatar University Policies related to Graduate Studies.

**Remark: Applicants holding a non-Business Master degree (it has to be in a Business Administration related field) must successfully complete the following three bridging courses: a) Introduction to Management (MAGT 501), b) Introduction to Accounting (ACCT 501), and c) Introduction to Finance (FIN 501) with a minimum grade of B in each bridging course*
