Create Your Student Profile

Creating your college profile is part of your SAT registration. It helps you connect to colleges and find financial aid options that are right for you.

The information you may get from colleges or scholarship organizations will be based on your answers to the subsequent questions, such as your intended major, your sports and activities, or where you live.

When you answer these questions you:

- Help colleges find you by telling them who you are and what you want
- Provide details that may help connect you to information about financial aid options, scholarships you may qualify for, and other opportunities

Student Search Service®

*Indicates required field.

*Student Search Service? ⓘ

Say "yes" to this free College Board service, and you'll hear from a diverse group of eligible colleges, scholarship organizations, and nonprofit educational organizations looking for students like you.

Here's how it works:

We send your basic college profile information to a variety of schools and programs. (Your test scores or phone number are never shared as part of this service.)

Then the schools and programs send you information about themselves so you can see if they fit in with your plans.

- Yes, definitely!
- No, thanks.
