

How to Manage my Team meeting recording ?

All recording are uploaded to Microsoft Stream (You can also access your stream from <https://www.office.com>)

1. Go to : <https://web.microsoftstream.com/> (Or Open that recording in stream)
2. Go to My Content-Videos and Select the recording

3. Go to 3 dots and select Add to Groups/ channel

4. Remove the Team from the list
