Chapter Two: Provisions

Article (4)

The awards are granted based on the achievements and effective contributions of the faculty member in the various fields of awards, based on the criteria approved by the vice president, in accordance with the vision and mission of Qatar University and its strategic plan.

Article (5)

The vice president approves the criteria for granting awards within the instructions that he publishes on the University's website annually.

Article (6)

The vice president reviews the financial value of the awards every three years and submits his recommendations to the president for the final decision on them.

Article (7)

The academic awards are competitive and are awarded to the faculty member who has achieved the highest level in meeting the criteria for granting awards among the nominees.

Article (8)

The nominee for any of the awards cannot have been issued any disciplinary action during the previous five years, as for violations related to intellectual property rights, it is not allowed to apply for nomination at all.

Conditions for nomination for awards Academic Excellence Awards

Article (9)

To be eligible to receive an Academic Excellence Award, a nominee is required to:

1. must be a full time faculty member for at least five academic years,
2. He/she should not have an academic rank less than associate professor.
3. must not have received the same award previously from QU.

Article (12)

A nominee for the Research Excellence Award shall fulfill the following:

1. must be a full-time faculty member/ researcher for at least five academic years,
2. must not have received the same award over the last five years.

Article (13)

A faculty member can nominate himself/herself through the electronic system adopted at Qatar University and used in the nomination for awards.

Article (14)

Each academic year, the competent Vice President issues a decision to form a technical committee of faculty members and appoints its chairperson and members, who have at least three years of work experience at Qatar University and their academic rank is not less than the degree of assistant professor. The decision includes assigning the committee to complete the tasks assigned to it.

Article (15)

The vice president may discuss the final report of the technical committee with the chairperson of the committee.

Article (16)

The vice president may withhold the award if the technical committee recommends that all candidates do not meet the criteria for Academic and Research Awards. The award may not be withheld for more than two consecutive years, and the vice president may withhold the award for other reasons he deems in the interest of the University.

Article (17)

The winner of the award is selected by the vice-president based on the recommendations of the technical committee, and the winner (s) of the awards are announced by the vice-president.

Article (18)

The vice president may withdraw the award and its consequences if it is proved that the award was based on documents, research or acts that contain violations of the professional conduct of faculty members, regardless of the date of the violation.

Article (19)

If the award is recommended to two or more faculty members, the award is divided equally between them. In the event that an award is withdrawn from one of the winners, the amount of the withdrawn award may not be disbursed to the other winners.

Chapter Three: Other Awards

Article (20)

The University may grant other academic awards related to its vision and mission and the award is subject to the provisions contained in this decision.

Article (21)

Each college may annually award financial or in-kind awards after the following conditions are met:

1. Acquiring the approval of the vice president.
2. The total value of all awards should not exceed the amount of QAR 50 thousand.
3. The financial value of each award granted by the college should not exceed the financial value granted by the University in the same field.

Article (22)

All competent authorities, each in its domain, shall implement this decision, and it shall take effect from the date of its issuance.

Dr. Omar Al-Ansari

President of Qatar University
